SHANGHAI STREET DUMPLINGS

Born out of Creative freedom and delicious necessity, our time honored techniques and secret family recipes have been passed down since long before Mao reigned supreme.

We've got a menu to make your mouth water, and it's not just dumplings we're serving up. By the time you've tried everything you'll have the beans to scale the Great Wall.

We are proud to say that all of our meat is fresh and free range, supplied by local butcher PETER TIMBS
